NARRATIVE:

Sutkowi, Chad - TTPD-31674
1/7/2023 3:58:49 PM

I was dispatched to listed venue reference a domestic assault that just occurred. Central advised the caller has been assaulted by her child's father, Eugene Therrien and he was destroying the house. Central advised Eugene had left with his 16yr old son. On scene I made contact with Amy Woodruff and her daughter, Brianna Therrien. Both were crying and upon entry into the residence I could see household items, and Christmas decorations scattered around the living room and another room just off the main entry. There were numerous broken Christmas decorations on the floor throughout the house.

AMY WOODRUFF STATEMENT:

Ms. Woodruff states she has been living with Eugene Therrien for ten years and they have a daughter, Brianna Therrien in common. Ms. Woodruff states this morning Eugene got upset with his son, Austin Therrien for getting up late and began yelling at Austin. Ms. Woodruff states she told Eugene to leave Austin alone and Eugene then started yelling at her that she was causing their children to become bad. Ms. Woodruff states Eugene continued to yell at her, stating that the world was a bad place and they shouldn't be living in this part of the world. Ms. Woodruff states she thought Eugene was just going to kill her on the floor when he was strangling her. I asked Ms. Woodruff where this happened and she advised in the living room.

Ms. Woodruff states Eugene started throwing stuff around in the living room and flipped over the couch in the living room. Ms. Woodruff states she started to back away from Eugene and spilled her coffee she was holding. Eugene then told Ms. Woodruff that he wanted her out of his life, calling her a "fucking bitch and cunt whore". Ms. Woodruff states Eugene continue stating "all you do is ruin my life, you can't fix your own shit, and your worthless". Ms. Woodruff states she yelled for Austin to call 911 and Austin was crying upstairs. Ms. Woodruff states Eugene grabbed her and slammed her down onto the floor. She said "he's 6'4", 240 pounds, he (Eugene) picked me up and threw me on the floor". Ms. Woodruff states Eugene then hit her (making a fist with her right hand in a punching motion) in the face. Ms. Woodruff states that Eugene then grabbed her by the throat and put his arm around her neck in like a "chokehold". Ms. Woodruff states Eugene had his face up to hers and stated "I want you out of my life you fucking bitch", continuing to yell at her. Ms. Woodruff states she was telling Eugene "please get off me, please don't kill me". Ms. Woodruff was yelling for Austin to call 911. Ms. Woodruff states Eugene then maybe realized what he had done and got up off her. Ms. Woodruff states Eugene continued to throw Christmas decorations around the house and also threw Austin's hockey bag into the Christmas tree that was in another room. Ms. Woodruff states Eugene then stated "I need to get out of here before I do something bad or it gets worse".

Ms. Woodruff states Eugene continued to yell at her and Austin. Ms. Woodruff states at one point Eugene grabbed Austin, telling Austin "get the fuck out". Ms. Woodruff states she recorded Eugene after he had assaulted her in the living room with her phone she had in her pocket. I was able to hear Mr. Therrien yelling at Ms. Woodruff and Austin. Ms. Woodruff suspects Eugene assaulted Austin, but she did not actually see anything. Ms. Woodruff states Eugene also took one of the Christmas trees down the hallway and threw it out into the garage. Ms. Woodruff states Eugene also spit at her as he was leaving the residence.

Ms. Woodruff states she has several guns that are in her name and locked in a gun safe in the garage. Ms. Woodruff states she does not have the combination for the safe but Eugen does. Ms. Woodruff would like her guns removed from the house. Ms. Woodruff states Eugene is a convicted felon but does not know what he was convicted for. I advised Ms. Woodruff if Eugene is a convicted felon there should not be any firearms in the residence. I advised Ms. Woodruff if the guns are all registered to her, she should remove the guns from the residence.

BRIANNA THERRIEN STATEMENT:

Brianna states she seen dad (Eugene) throw mom (Amy) onto the ground and dad started strangling mom. I asked Brianna if dad had his hands around mom's neck and Brianna replied "yea". Brianna states her dad then put his arm around her mom. Brianna states she had been hiding in her parents bedroom and came out when mom was yelling for help, peeking around the corner. Brianna states she then went back into the bedroom and hid by the side of the bed. Brianna states she could hear her mom saying "stop, stop, please don't kill me" and her dad was not saying anything. Brianna states she never seen her dad grab Austin. Brianna states her dad was only yelling at Austin to pack his stuff and get down here.

Brianna later advised of an incident a couple of days ago where her dad had picked her up in the kitchen and kicked her on the side of her right leg. Brianna states Austin and her other brothers, Jackson and Mason (Dern) were in the kitchen when this happened..

POLICE DEPARTMENT
Case Report**

Case No. 2389400039
Report Date/Time: 1/7/2023 11:05:46 AM
Reporting Officer: Sutkowi, Chad

Ms. Woodruff played two recordings on her phone where Eugene could be heard yelling throughout the house at her and Austin. Ms. Woodruff also had a photograph of some redness to her right cheek area where Eugene had punched her and the damage inside the residence. Ms. Woodruff forwarded the videos and photographs to the department's work phone. The videos and photographs will be downloaded to the squad room computer.

I stood by until Ms. Woodruff's parents arrived to help pack some stuff. Ms. Woodruff was concerned for Austin's well-being due to Eugene's behavior earlier, but did not really have any idea where they could be going. Ms. Woodruff indicated that Austin had a hockey game later in Canton, but when they left Eugene had thrown Austin's hockey bag into the Christmas tree and left without it. Ms. Woodruff did not know the plate information for the Ford pickup Eugene was driving but the truck was wrapped in the company logo "Storm master".

I advised Ms. Woodruff I would put a bol out for the truck, Eugene and Austin after I was able to get the vehicle information. I also advised Ms. Woodruff if Eugene returned to call 911. Ms. Woodruff states she does wish to press charges on this matter.

1234hrs:
I was dispatched back to the venue after Eugene had returned and was now arguing with Ms. Woodruff's mother and had struck her mother with a gun case. On scene I was directed to the front room where the Christmas tree had been damaged. I could see a subject, identified as Eugene Therrien in the room.

OFFICER ACTIONS:

I entered the residence and made contact with Mr. Therrien. I advised Mr. Therrien he was under arrest and to place his hands against the window. Mr. Therrien hesitated at first and I gave a second verbal command to put his hands against the window. Mr. Therrien was then handcuffed (dl/tc) and I read Mr. Therrien his Miranda Rights. I asked Mr. Therrien if he wanted to waive his rights and speak to me and he advised he would. I conducted a search of Mr. Therrien and located an envelope in his right back jeans pocket that appeared to contain a large amount of money. Mr. Therrien advised the money was business money and when asked how much was in the envelope he advised (\$8000.00). I escorted Mr. Therrien to my patrol car and during the walk to the patrol car Mr. Therrien made voluntary statements that she's (Ms. Woodruff) has been "pissing" him off for the past couple days. Mr. Therrien continued stating that he was after her phone because she was doing "dumb shit", and grabbed her phone. Mr. Therrien then stated that he did not put his hands around her, he did not choke her and he did not do any of that stuff. Mr. Therrien stated he kept asking her to leave and telling Austin that they had to go. Mr. Therrien was then placed in the backseat of my patrol car. Deputy Weber arrived and stood by with Mr. Therrien while I went and spoke to Austin Therrien.

AUSTIN THERRIEN STATEMENT:

Austin states he was upstairs and did not see anything. Austin states he did hear his dad and Amy arguing downstairs. Austin states his dad did grab him by his arm to go outside because they had to leave so dad could cool down. Austin states his dad did not assault him at all today.

After speaking to Cynthia Woodruff (Amy's mother) it was determined that she was accidentally struck with a gun case as Eugene was taking the guns out of the safe. There was no intentional assault on Mrs. Woodruff.

EUGENE THERRIEN STATEMENT:

Mr. Therrien was removed from my patrol car and a second set of handcuffs were applied to relieve some shoulder/back pain Mr. Therrien was experiencing. I asked Mr. Therrien if anything physical happened between himself and Amy. Mr. Therrien replied "define physical". Mr. Therrien states he had Amy's phone and she tried to get the phone back. Mr. Therrien states Amy started wrestling the phone back. I asked Mr. Therrien where this happened at and he advised in the living room. I asked Mr. Therrien if he threw Amy down or choked her and he stated "I did not choke her". I asked Mr. Therrien if he recalled Amy asking him not to kill her and he advised "no" but Mr. Therrien then stated he was not actually paying attention to what Amy was saying. Mr. Therrien then stated the altercation lasted maybe 5 seconds and was on the ground with Amy. Mr. Therrien states his hands were on the phone and he had one knee on the ground by Amy. Mr. Therrien states he was not smothering Amy with his weight and if Amy would have let go of the phone she could have gotten out and not been in any danger whatsoever. I asked Mr. Therrien if Austin could have seen this and he advised that Austin and his sister (Brianna) were both upstairs when this happened. I asked Mr. Therrien if Brianna would have any reason to lie and he stated no.

OFFICER ACTIONS:

I turned over the money in the envelope and money from Mr. Therrien's wallet to his son, Austin along with Mr. Therrien's cell phone. Ms. Woodruff was advised of the ppo procedure and she did not have to leave the residence if she chose not to.
